<b>TOTAL</b>	<b>£16,730</b>

### **What is the Sports Premium?**

The Government in England has provided additional funding of over £150 million per annum since 2013/14 to improve PE and school sport in primary schools. From September 2017, the funding will be doubled to enable primary schools to make further improvements to the quality and breadth of the PE and sport they offer. The money goes directly to Head Teachers to enable them to improve the quality of PE and sport for all children. Each school receives £16,000 plus £10 per pupil in years 1 to 6. At High Cliff Academy, we will receive £16,730 in 2018/19. Schools must spend this on improving their sports and PE provision, but can choose how to do this.

## **Our main objectives:**

At High Cliff Academy we aim to provide a range of sporting opportunities for our children. Our aspiration is to provide high quality sports education for all of our students, improving their health and fitness and promoting an inclusive ethos, where all students enjoy participating in sporting activities. High Cliff Academy employs one full-time qualified PE coach to deliver sports and PE lessons across the academy and ensure that all staff receive pedagogical and sport specific training. The coach also runs sports clubs.

## **Our Sports Grant will be used to:**

- **Ensure that equipment is safe, practical, usable and in a good condition.**
- **Introduce new forms of sport/exercise.**
- **Ensure every child has the opportunity to take part in a sporting activity/PE and not accepting pupils not having a PE kit as an excuse not to take part.**
- **Provide an opportunity to showcase our sporting talents to our parents and staff (Sports Day).**
- **Project a positive image of the Academy when competing against other schools. Focussing on team spirit, good sportsmanship and positivity**
- **Develop the practice of current teachers in the teaching of PE and healthy lifestyles**
- **Develop our outside areas to encourage physical activity during lunch and play times**
