<p>At High Cliff Academy, we view the needs of all our children as important and ensure that our teaching and learning opportunities meet the needs of all of them; We ensure that appropriate provision is made for all pupils who belong to vulnerable groups; We recognise that not all pupils who receive free school meals are socially disadvantaged (or indeed underachieving) and not all pupils who are socially disadvantaged are eligible for free school meals; Pupil Premium funding will be allocated based on a needs analysis, reflecting these considerations, which will identify priority classes, groups or individuals.</p> <p>Due to Covid19 and the closure of the school in the last academic year, some of the desired outcomes and actions from last year have been rolled over to this academic year.</p>
