

PE and Sports Premium Funding – Impact Review 2019/20

September 2020

Due to COVID-19 and a national lockdown, not all actions have been achieved and will therefore roll over to the next academic year.

- **New MTPs from nursery to year 5 have been created for all pupils alongside progression documents. Within these, new sports/exercises have been introduced to pupils such as circuit training and ‘Physical Fridays’ in EYFS. All staff have had CPD on how to use the new planning to teach PE to ensure pupils receive high quality PE lessons.**
- **Our PSHE curriculum has been developed with a strong emphasis on healthy lifestyles. Clear progression has been mapped out across the school to ensure pupils have a good understanding on the importance of a healthy lifestyle.**
