

Religious Education: Whole School Overview

Religious Education makes a vital contribution to the education of our children at High Cliff Academy. Religion and beliefs inform our values and are reflected in what we say and how we behave. RE is an important subject in itself, it enables teachers to foster children’s spiritual, moral, social and cultural development and engages children in learning about and from religion. Religious education provokes challenging questions about the ultimate meaning and purpose of life, beliefs about God, the self and the nature of reality, issues of right and wrong, and what it means to be human. RE also contributes to pupils’ personal development and well-being and to community cohesion by promoting mutual respect and tolerance in a diverse society.

The purpose of this document is to highlight the specific R.E content of the curriculum in each year group.

EYFS – KS2 Religion Coverage

The school has chosen to begin by introducing and exploring the Abrahamic religions: Christianity, Judaism and Islam within EYFS and Key Stage 1.

Each religion is visited twice over the academic year with the aim of building knowledge and establishing the foundation blocks to delve deeper and obtain critical RE thinking skills within Key Stage 2.

The Abrahamic religions are continued into Key Stage 2 alongside the introduction of Hinduism, Sikhism and Buddhism religions. This will result clear explicit teaching of the six main religions covered over six half terms of the academic year.
