

English

Our texts this term will be following the lives of circus folk during the Victorian period. Our main text will be the mysterious Wildboy and supported by Son of the Circus.

Personal, Social, Health and Economic Education

Our focus for the next two terms will be learning about puberty, sexual intercourse, reproduction and relationships. We will learn how to recognise healthy and unhealthy relationships and their impact.

History

This term's history context will be looking at the Victorian period and the amazing inventions of the period, including the use of electricity.

Computing

This term, we will be learning how to make a 3D model, designing and making our own house.

PE

Our PE unit this term will be Athletics. We will hone our skills of running, jumping and throwing as well as really learning how to work as a team, in pairs and as individuals.

French

We will continue our French lessons with Mrs Au, widening our vocabulary.

Circuits and the Circus

Maths

The beginning of this term will be all about practicing our number skills and making sure that we are ready for our SATs. Once these are over, we will be checking what else we need, to be confident at secondary school.

Religious Education

In RE this term, our religion of focus is Judaism. We will be looking at the main concepts and beliefs and understanding how the religion compares to the others we have studied so far.

Science and DT

In science this term we will be learning all about electricity. We will learn how to stay safe and how household electricity works. We will also build our own circuits and experiment with the different components, testing them to see what we can add to improve our output.
